## GENERAL INFORMATION

In keeping with its policy of business-like administration of the public monies entrusted to it, Cobb County Government has decided to institute a comprehensive Wellness Program and consider proposals for a Wellness Vendor / Program Manager. Accordingly, these specifications have been prepared for the use of interested parties in developing their proposals. Response sheets are included for use in presenting the proposal. The response sheets are mandatory; however, any other additional information may be submitted as well. Bids should be submitted net of any agent/broker fees or commissions. Vendors should submit only one bid to the County.

The pages in these specifications are numbered and dated. It is possible that some pages may later be revised, either because clarification is needed or because additional data is available. Revisions, if necessary, will be identified and sent to all persons who received original specifications. It is, therefore, most important that you register with the Purchasing Department, Cobb County, indicating that you have a copy of the specifications and will need copies of any revisions.

Chris Clark, a consultant with **The McCart Group**, has been selected to administer the RFP, review the initial bids, and recommend the top candidates in each category to the selection committee. No bids should be submitted through other brokers or consultants. Cobb County reserves the right to allow finalists to submit their best and final offer. **Upon selection as a finalist, each finalist must submit five additional copies of their original bid packages for the selection committee.**

Cobb County expects all of the contractors related to its employee benefits program to work together to provide the necessary services.

Should you have any questions about the material in the specifications or the response sheets, please send them in writing to:

Mark Kohntopp  
Purchasing Division Manager  
Cobb County Purchasing Department  
purchasing@cobbcounty.org  
Fax Number (770) 528-1154

All questions will be responded to in writing in the form of an addendum to all registered RFP recipients and addenda will be posted on the Cobb County Purchasing Department web site. The deadline for all questions is June 16, 2009, at 5:00 PM.

Cobb County Government reserves the right to (a) reject any and all bids; (b) accept any alternative bid(s) presented which, in its opinion, would serve the interest of the public; (c) waive any informalities in the bid; and (d) give full and proper consideration to the reputation, knowledge, experience and servicing facilities of the agency or company presenting the bid.

Cobb County will reject any proposal not submitted within the required time frame, and reserves the right to reject any incomplete proposal submitted, contact client references, require further information, and/or require interviews with any responding firm. All costs related to the preparation, submittal, or presentation of any proposal are the responsibility of the respondent and will not be assumed in full or in part by Cobb County.

## **SCOPE of SERVICES**

The selected vendor will be responsible for administering the County's Wellness Program as described below. The vendor may utilize its employees or contractors, as needed, for the required services. All appropriate insurance shall be the responsibility of the vendor.

The vendor will be responsible for reporting employees' status as "participating" or "not participating" in the program to the County, as needed. The County will utilize a premium incentive for employee motivation to participate in the program. "Participation" requirement for first year is completion of the Health Risk Assessment (HRA) and Biometrics. Second and succeeding years require sufficient improvement in HRA score or maintenance of good score. The County will work with the selected vendor to determine appropriate score(s) for this determination, as well as assuring compliance with any applicable federal regulations (e.g. HIPAA, ADA, etc.)

A rough outline of the wellness program is as follows:

### **Wellness Program Outline**

1. First Year – Health Assessment, Biometric Testing, Health Coaching
  - a. Health Assessment – 15-minute+/- on-line questionnaire  
NOTE – a hard-copy option must be available.
  - b. Biometric Testing – height, weight, blood pressure, blood draw
    - i. Blood sent to lab and tested for cholesterol and glucose  
- cholesterol test to include HDL, LDL, and triglycerides
  - c. Employees get individual results in multi-page report
  - d. County gets aggregate report
  - e. Premium "incentive" for employee participation
  - f. Health Coaching available telephonic/online to help employees improve health and/or change unhealthy behaviors
    - i. Tobacco Cessation
    - ii. Nutrition
    - iii. Exercise
    - iv. Stress Management, etc.
  
2. Second and succeeding Years – same components, but employee must:
  - a. Maintain good health score, or
  - b. Show improvement in Health Assessment score  
to keep premium incentive (i.e. discount)

It is the County's desire to provide an effective, but cost conscious, wellness program. To that end the County employees will be expected to take the initiative to reach out for health coaching. Their individual reports from the Health Assessments need to provide sufficient direction as to the areas they need to focus and how to contact the health coaching resources. We do not require the Wellness Vendor to make initial out-bound calls to employees. However you may initiate the calls once health coaching sessions are scheduled.

## **METHOD OF EVALUATION**

The following factors will be considered by Cobb County in evaluating the proposals submitted for award. The order of the factors in this list is not meant to imply the importance of one factor over another.

1. **Staffing** – Evaluation of the list of personnel specifically assigned to the proposed project, including their qualifications, overall experience and recent experience on projects similar in nature and complexity to the proposed project.
2. **Experience/Performance** – Review of past performance on Cobb County projects or other projects similar in nature and complexity as the proposed project; evaluation of client references whether included in the proposal response or not; overall responsiveness to the County’s needs.
3. **Approach** – Evaluation of the overall understanding of the scope of the proposed project; completeness, adequacy and responsiveness to the required information of the request for proposals.
4. **Availability** – Evaluation of the work load of the proposing firm and the staffing to be assigned to the proposed project; time schedule of the proposer in relation to that of the proposed project location of the offices or facilities from which the services are to be provided to the County.
5. **Financial Stability** – Evaluation of the overall financial position of the firm as determined from financial information required by the Request for Proposal or Qualifications or from other independent sources.
6. **Cost** – Evaluation of the overall cost of the required services as submitted in the Request for Proposal, where applicable.

Following the review of proposals, Cobb County reserves the right to request additional information, request fee schedules, and to schedule interviews for presentation and on-site visits.

## **TERMS**

Cobb County Government considers it to be uneconomic and generally disruptive of good service to request bids for this program more often than every three years unless, in the sole opinion of the Cobb County Government, there has been unsatisfactory service or an unwarranted rate change, if applicable. The term of the contract, however, must be for one year, with two one-year extensions and with the possibility of further extensions. Your proposal will become part of your contract. Your proposal must be valid for 120 days.

# Health Insurance (for full-time employees only)

You may select coverage from four different types of health care plans. Blue Cross Blue Shield offers three different plans: PPO, Open Access Point of Service (OAPOS), or HMO. Kaiser Permanente also offers an HMO. Below is a brief summary of each plan. More details on each plan will be provided at Orientation.

The PPO and OAPOS Option allows you the freedom to use doctors in their respective networks and receive in-network benefits or choose a doctor outside of the network at a reduced benefit. The HMO Option requires the selection of a Primary Care Physician (PCP) and most specialist care must be approved by a referral from the PCP; there is no payment to providers outside the network.
