TO ALL PROSPECTIVE BIDDERS:

Because of the many requests to be placed on our vendors' list, we are continuously updating the list. While we want to include all bona fide vendors, we do not want to mail bids to those vendors who may no longer be interested in participating in our bidding process.

If you do not choose to respond to the attached Invitation to Bid/Request for Proposal, please fill out the form below indicating whether or not you want to be retained on our current vendor list.

Vendors who do not respond in any way (by either submitting a bid or by returning this form) over a period of one year may be removed from the current vendor list.

**Vendors who do not wish to bid often return the entire bid package, sometimes at considerable postage expense. Returning the entire bid package is not necessary. Simply return this form.**

Request for Proposal  
Cisco Smartnet Hardware and Software Maintenance  
Cobb County Information Services Department  
Sealed Bid 11-5547

**1.0 Purpose**

The purpose of this Request for Proposal (RFP) is to provide sufficient information to enable vendors to submit proposals for Cisco Smartnet Hardware and Software Maintenance for Cobb County Government (hereinafter referred to as CCG).

**1.1 Objective**

Cobb County Information Services (hereinafter referred to as CCIS) is responsible for providing technology equipment, services and support to all Cobb County Government departments. The objective of this RFP is to receive competitive bids for the Cisco SmartNet maintenance of the Cisco communications hardware and software installed within those departments and throughout County facilities. The Cobb County equipment base includes switches, routers, telephones, virtual private network, and voice over IP (VOIP) and other Cisco products installed. See Attachment A for the list of equipment.

Cobb County is anticipating entering into a one year contract with an option to renew up to two additional one year options.

As an alternative option, Cobb County would like the vendor to provide cost if the County were to enter into a two year contract with the option to renew for two additional one year period.

**1.2 Special Terms and Conditions**

This section of the RFP contains the conditions and restrictions covering the preparation, submission, and contents of proposals. It is essential that these conditions be strictly observed.

Proposals are due to the Cobb County Purchasing Department located at 1772 County Services Parkway before **12:00 noon on December 2, 2010**.

Vendors are to submit an original and five (5) copies of the proposal in a standard format and enclosed in a sealed envelope at the time and place specified. These proposals must be in accordance with the purposes, conditions, and instructions provided in the RFP. Cobb County Government (hereinafter known as CCG) assumes no responsibility for bids received after the advertised bid submission time, whether due to mail delays or any other reason. Bids received after the bid submission time will not be accepted.

**A Pre-proposal meeting will be held at Cobb County Purchasing Department, 1772 County Services Parkway, Marietta, Georgia 30008 on November 16, 2010 at 2:00 pm** in the 2<sup>nd</sup> Floor Conference Room. This meeting is not mandatory; however, Cobb County strongly encourages Proposers to attend. Discussions in the meeting are not binding; the County will issue written

responses to questions and issue addenda as necessary. Attendance at the pre-proposal conference is encouraged.

### **1.1.1 Right to Reject Any or All Proposals**

Each proposal must comply with all requirements for a regular proposal as directed or required by this notice. Notice is hereby given to all companies bidding that if their proposal is defective or irregular, the same may be rejected immediately. CCIS and CCG reserve the right to reject any or all proposals at its sole discretion or to waive any specific technicalities or formalities in order to accept any proposal(s) deemed to be in the best interest of CCG.

The successful bidder will be required to enter into a contract agreeable to CCG, and in the event a negotiated contract agreeable to CCG cannot be completed, then CCG may withdraw from the negotiations and enter into negotiations with another qualified bidder.

### **1.1.2 Uniform Proposals**

To facilitate comparative analysis and evaluation of proposals it is desired that a uniform format be employed in structuring each proposal. The required format is one that will coincide with specifications given later in this RFP under Proposal Format. The vendor's degree of compliance with the requirements of the RFP will be a factor in the subsequent evaluation of the proposal. Proposals with major deviations or omissions may not be considered for detailed study. Company proposals will become part of the contract with Cobb County should they be selected under the RFP.

### **1.1.3 Requests for Additional Information**

This RFP has been prepared by CCIS. It is anticipated that most questions will be answered at the pre-proposal conference. Inquiries regarding the Proposal Procedures or technical matters should be submitted in writing to:

Cobb County Purchasing Department  
1772 County Services Parkway  
Marietta, GA 300604021  
Fax: (770) 528-1154  
Email: [purchasing@cobbcounty.org](mailto:purchasing@cobbcounty.org)

All inquiries must be submitted in writing before **5:00 pm on November 19, 2010**. Responses to any written communication will be made available by addenda. CCG or CCIS will not orally or telephonically address any question or clarification regarding specifications or procedures. CCG is not bound by any oral representations, clarifications, or changes made to the written specifications by CCG's employees, unless such clarification or change is provided to the vendors in written addendum form from CCG.

#### **1.1.4 Cost of Proposed Products/Services**

Attachment A lists the equipment on which the vendors responding will base their proposals. The actual number of equipment Cobb County requests maintenance on may differ from this list due to a changing inventory. In the event the specific replacement part that matches the part number of the original is not available, CCG or CCIS reserves the right to select the manufacturer of the replacement part. Maintenance service coverage days and hours for each piece of equipment is found under the table heading “Required Maintenance Hours” in Attachment A.

Attachment B contains a list of the Cisco Software Inventory requiring maintenance support.

Normal business hours for Cobb County Government are Monday through Friday 7:00 a.m. to 5:00 p.m.

Pricing structures should include the following:

1. Annual and monthly list and net and maintenance price of all hardware, and appropriate software, itemized by manufacturer and model.
2. Annual “warranty upgrade” price of all hardware itemized by model. A “warranty upgrade” is defined as the cost to upgrade the manufacturer’s warranty to an on-site maintenance warranty for the manufacturer’s warranty period.
3. Per call rate for service calls arising from conditions not covered in the contract.

CCG would like the vendor to propose a total net contract cost for a one year contract with an option to renew for up to two years. CCG would also like to vendor to propose second option with a total net contract cost for a two year contract with an option to renew for one year.

The successful bidder will be required to enter into a contract containing the provisions as required by Georgia law pertaining to multi-year contracts. The following is a sample of the provision and will be adjusted as to the term or length of the contract.

“This contract shall terminate absolutely and without further obligation on the part of CCG at the close of the calendar year in which it was executed, and at the close of each succeeding calendar year for which it may be renewed as provided in O.C.G.A. Section 36-60-13. The contract shall automatically renew for each of the remaining calendar years provided for in the contract, unless positive action is taken by CCG to terminate such contract, and the nature of such action shall be written notice provided to the vendor within sixty (60) days before the end of the initial year of the contract or each succeeding remaining calendar year.

This contract shall terminate immediately and absolutely at such time as appropriated and otherwise unobligated funds are no longer available to satisfy the obligations of CCG under this contract.”

#### **1.1.5 Prime Contractor**

Vendors submitting proposals may sub-contract the required and optional services contained in this RFP. However, a “Prime Contractor” must be designated and the proposal must state the name of the “Sub-Contractor” providing the services and the ability and experience of that “Sub-Contractor” in delivering those services. References must be included. Vendors are encouraged to provide considerable detail in their response, in order for CCIS to more efficiently evaluate those services.

### **1.1.6 References**

Vendors must provide a list of customers, including contact persons and telephone numbers, comparable to CCG where products and/or services such as those proposed by the vendor have been delivered.

### **1.2 Added Value**

Vendors may include anything unique in their proposed solution, which adds value to the products/services provided to CCG. The cost of this added value must be explained and justified in the proposal.

## **2.0 Requirements**

This section defines the required corporate capabilities and structure as well as the service responsibilities and expectations of the maintenance contractor. Any exceptions to the needs specified here must be clearly identified in the vendor's proposal and alternate solutions must be proposed. The vendor's ability to perform according to the requirements identified in this section will be a factor in determining the successful vendor. CCIS intends to obtain the highest quality Cisco SmartNet maintenance and support at the lowest possible cost.

### **2.1 Corporate Capabilities**

The information provided in this section will be used by CCIS as a basis for determining the vendor's technical capability for providing the required level of service. A concise but thorough description of relevant service is desired. The vendor shall supply the following information:

1. Details of corporate experience during the last three (3) years relevant to the maintenance of Cisco hardware and software as listed in Attachment A and B.
2. The vendor shall furnish a reference list of all customers in the Atlanta area. The vendor shall also provide a reference list of customers nationwide who are similar in size and structure to CCG and who are receiving service comparable to that required in this RFP. The references shall include the company name, contact person, telephone number and the approximate number of Cisco devices and software maintained. The references shall have received service for a minimum of one (1) year, similar in scope to that required by CCIS.
3. A list of any pending litigation filed against or on behalf of the vendor will be supplied as part of this proposal. If there no pending litigation, the vendor must so specify.

### **2.2 Local Organizational Structure**

The vendor shall maintain an office in the metro Atlanta area, staffed with an Account Manager, a Service Manager and multiple Customer Engineers. The vendor shall have management representation in monthly (or more frequently as determined by CCIS) status meetings with CCIS.

### **2.2.1 Account Manager**

The Account Manager shall be the interface between CCIS and the vendor for all account activity not directly related to daily service issues.

### **2.2.2 Service Manager**

The Service Manager shall have authority over the Customer Engineers for conduct, setting priorities of repairs, expediting repairs and parts delivery. This individual must have sufficient working knowledge of the equipment to fully understand the repairs and effectively communicate with both Customer Engineers and CCIS technical staff. The Service Manager shall keep CCIS personnel adequately informed on the status of all outstanding service calls, including estimated to repair, estimated arrival of parts and any other information required by CCIS.

### **2.2.3 Customer Engineers**

The Customer Engineers shall be fully trained and competent on Cisco Products and devices listed in Attachments A and B.

## **2.3 Technical Approach**

The vendor shall explicitly address all of the following CCIS requirements:

1. Customer Engineer training.
2. Resources available for problem determination, their location and method of invoking those resources.
3. Detailed explanation of remedial and advanced maintenance and problem resolution procedures.
4. Description of management structure, availability (hours/days) and methods used to track calls and ensure customer satisfaction.
5. Explanation of the use of "spare" units of equipment for temporary replacement during extended repairs.
6. Corporate policy on repair vs. replacement of defective system components.
7. Corporate policy on reloading of software lost due to hardware failure.
8. Specific location(s) of spare parts inventories in metro Atlanta and elsewhere. Also describe the following:
  - a. Inventory replenishment procedures including vendor agreements for technical assistance and spare parts.
  - b. Time required for procurement of parts not stocked locally or out of stock.
  - c. Method for obtaining parts in emergency situations.
  - d. Quality of spare parts.
  - e. Criteria for selection of spare parts.

## **2.4 Call Handling Procedures**

Vendor must provide a central dispatch facility to which CCIS will place all calls for remedial maintenance. The central dispatch facility shall have a toll free telephone number available seven (7) days per week, twenty-four (24) hours per day.

Each call placed to the central dispatch facility shall be given a unique reference number. Both the vendor and CCIS personnel will use this reference number when reporting required information or attempting to resolve associated problems.

Response to a call for service must occur within one (1) hour. On-site arrival must occur within four (4) hours for all standard service calls. CCIS may request priority service on a per incident basis. All priority service calls must be dispatched to both a Customer Engineer and local service management. On-site arrival must occur within two (2) hours for all priority service calls.

#### **2.4.1 Call Escalation**

Vendor shall establish an escalation procedure whereby if the Cisco equipment is not repaired within two (2) hours after the first Customer Engineer arrives on-site, the call will be escalated to the local manager. Should the equipment remain inoperative, the call will be escalated to additional management levels on two (2) hour increments. This procedure must be established and operational prior to the effective contract date.

#### **2.4.2 CISCO Call Procedure**

Vendor shall establish a procedure that allows Cobb County Information Services personnel to contact Cisco directly to open tickets and request information.

#### **2.5 Reporting**

Vendor shall provide a report of all service calls and the cycle time (time received to time of completion) for each. Calls with a cycle time exceeding eight (8) hours must include a detailed explanation for the extended service time. This report shall be provided monthly or more often as required by CCIS.

#### **2.6 Warranty**

Vendor must warrant Cisco equipment provided under this agreement with full on-site coverage with four (4) hour on-site arrival. CCIS will attempt to provide the vendor with the necessary information on new Cisco equipment at the time of installation. Vendor shall provide warranty service that complies with all service specifications of Cisco equipment for the duration of the contract.

#### **2.7 Contract Revisions**

Upon a change to the covered Cisco equipment due to additions, deletions, replacements or transfers, the vendor shall modify its records, including monthly, quarterly or annual invoices on the next billing cycle, to indicate the revision(s).

During the term of the contract CCG shall have the right to add Cisco equipment and software to the contract at the current rate for that equipment, software or a similar item. Equipment added from warranties shall be accepted as maintainable and added to the current contract at the current rate for that equipment or a similar item. CCG may add additional Cisco equipment of a different make and/or model to the contract at the current rate for Cisco similar equipment. CCG expects to receive

the same discount considerations for models not identified in the contract.

During the term of the contract CCG shall have the right to delete Cisco equipment from the contract. CCG and the vendor will conduct an annual reconciliation of all hardware and software additions and deletions prior to annual contract renewal. Those changes will be reflected in the invoice for the upcoming renewal period.

During the term of the contract CCG shall have the right to replace items under the contract. The replaced item will be treated as a deletion and the replacement item will be treated as an addition.

CCG reserves the right to transfer, without prior notice to the vendor, any item(s) covered under the contract from one location within the county to another. CCG will attempt to keep the vendor up to date on the location of items transferred. Failure to notify the vendor of the relocation of an item or items covered under the contract shall not void the maintenance contract for that item or items nor subject CCG to additional maintenance charges.

### **3.0 Evaluation**

The selection of a vendor to provide maintenance for software and hardware for CCG is an important task. This process must address current requirements and consider possible future needs. Both objective and subjective rationale will be involved in the decision process. This process is outlined in the following subsections.

#### **3.1 Evaluation Responsibility**

Representatives of CCIS will coordinate the review and evaluation of all proposals and may serve as technical advisors for the selection committee.

#### **3.2 Evaluation of Vendor Proposals**

Significant factors that will be considered in the evaluation of vendor proposals will include, but not be limited to, the following:

1. Support Staff Experience and Training
2. Company Experience/performance
  - a. Past performance providing similar support. Company reputation.
3. Technical Approach
  - a. Understanding at what the County is requesting in terms of support as outlined in the RFP.
4. Ability of the proposer to meet the required support timeframes for response to equipment and software problems and or issues.
5. Financial viability and stability of the firm
6. Cost of the maintenance services to be provided for the term of the contract.

The relative importance of these factors involves management judgment and will include both objective and subjective analysis. Selection of a specific maintenance vendor will depend not only on cost, but also on the vendor's response to the requirements set forth in the RFP. Vendor proposals will be evaluated against the requirements presented in the RFP. A vendor may be

eliminated from consideration for failure to comply completely with one or more of the requirements.

CCIS will use a specific set of criteria for evaluating vendor proposals. The structure of the evaluation will be to assign a value (points) to each response in a number of categories. A non-response to a specific category will result in no points being awarded for that category. The specific categories and their point values are as follows:

### **3.3 Presentations**

During the evaluation process, the members of the evaluation team may require that vendors conduct a presentation. If required, these presentations will be scheduled in advance and limited in time. Presentations will be conducted at CCG facilities.

## **Cobb County General Instructions for Proposers, Terms and Conditions**

### ***I. Preparation of Proposals***

Each proposer shall examine the drawings, specifications, schedule and all instructions. Failure to do so will be at the proposer's risk, as the proposer will be held accountable for their proposal response.

Unit price for each quotation shall be shown and such price shall include packing unless otherwise specified, along with a total and grand total where applicable. In case of discrepancy between a unit price and extended price, the unit price will be presumed correct.

Each proposer shall furnish all information required by the proposal form or document. Each proposer shall sign the proposal and print or type his or her name on the schedule. The person signing the proposal must initial erasures or other changes. An authorized agent of the company must sign proposals.

Requests for Proposals (RFP) issued by Cobb County are advertised on the Cobb County Internet site ([www.purchasing.cobbcountyga.gov](http://www.purchasing.cobbcountyga.gov)) and every Friday in the Cobb County legal organ, the Marietta Daily Journal.

### ***II. Delivery***

Each proposer should state time of proposed delivery of goods or services. Words such as "immediate", "as soon as possible", etc. shall not be used. The known earliest date or the minimum number of calendar days required after receipt of order (delivery A.R.O.) shall be stated (if calendar days are used, include Saturday, Sunday and holidays in the number).

### ***III. Explanation to Proposers***

Any explanation desired by a proposer regarding the meaning or interpretation of the Request for Proposal, drawings, specifications, etc. must be received by **5:00 pm, November 19, 2010** in order for a reply to reach all proposers before the close of the bid. Any information concerning an RFP will be furnished to all prospective proposers as an addendum to the invitation if such information is necessary or if the lack of such information would be prejudicial to uninformed proposers.

The written proposal documents supersede any verbal or written communication between parties. Addenda are posted on the Purchasing web site: [www.purchasing.cobbcountyga.gov](http://www.purchasing.cobbcountyga.gov). Receipt of addenda should be acknowledged in the submitted proposal. It is the proposer's ultimate responsibility to ensure that they have all applicable addenda prior to bid submittal.

### ***IV. Submission of Proposals***

Proposals shall be enclosed in a sealed package, addressed to the Cobb County Purchasing Department with the name and address of the proposer, the date and hour of opening, and

the request for proposal number on the face of the package. Telegraphic/faxed proposals will not be considered. Any addenda should be enclosed in the sealed envelopes as well.

Unsigned proposals will not be considered.

Cobb County is exempt from federal excise tax and Georgia sales tax with regards to goods and services purchased directly by Cobb County. Suppliers and contractors are responsible for federal excise tax and sales tax, including taxes for materials incorporated in county construction projects. Suppliers and contractors should contact the State of Georgia Sales Tax Division for additional information.

Except as otherwise provided by law, information submitted by a proposer in the proposal process shall be subject to disclosure after proposal award in accordance with the Georgia Open Records Act. Proprietary information must be identified. Entire proposals may not be deemed proprietary.

#### **V. *Withdraw Proposal Due To Error***

The proposer shall give notice in writing of his claim of right to withdraw his proposal without penalty due to an error within two (2) business days (48 hours) after the conclusion of the proposal opening. Proposals may be withdrawn from consideration if the price was substantially lower than the other proposals due solely to a mistake therein, provided the proposal was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of the proposal, which unintentional arithmetic or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the proposal sought to be withdrawn. The proposer's original work papers shall be the sole acceptable evidence of error and mistake if he elects to withdraw his proposal. If a proposal is withdrawn under the authority of this provision, the lowest remaining responsive proposal shall be deemed to be low proposal. Proposal withdrawal is not automatically granted and will be allowed solely at the discretion of Cobb County.

No proposer who is permitted to withdraw a proposal shall, for compensation, supply any material or labor or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn proposal was submitted.

#### **VI. *F.O.B. Point***

Unless otherwise stated in the request for proposal and any resulting contract, or unless qualified by the proposer, items shall be shipped F.O.B. Destination. The seller shall retain title for the risk of transportation, including the filing for loss or damages. The invoice covering the items is not payable until the items are delivered and the contract of carriage has been completed. Unless the F.O.B. clause states otherwise, the seller assumes transportation and related charges either by payment or allowance.

**VII. *Patent Indemnity***

The contractor guarantees to hold the County, its agents, officers or employees harmless from liability of any nature or kind for use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, for which the contractor is not the patentee, assignee or licensee.

**VIII. *Bid, Payment & Performance Bonds – Not Applicable***

**IX. *Insurance***

Insurance requirements: Contractor shall procure and maintain for the duration of the contract, insurance against claims for injuries to persons or damages to property that may arise from or in connection with performance of the Work hereunder by the Contractor, his agents, representatives, employees, or subcontractors.

**A. MINIMUM LIMITS OF INSURANCE**

Contractor shall maintain limits no less than:

1. General Liability: \$1,000,000 combined single limit per occurrence for comprehensive coverage including bodily injury, personal injury and property damage for premises/operations, products/completed operations, contractual liability, independent contractors, broad-from property damage, and underground, explosion and collapse hazard.
2. Automobile Liability: \$1,000,000 combined single limit per accident for bodily injury and property damage including all owned, hired, and non-owned.
3. Workers' Compensation and Employers Liability: Workers' Compensation limits as required by the Labor code of the State of Georgia and Employers Liability of \$100,000 per accident.
4. Umbrella Liability: \$5,000,000 combined single limits per occurrence.
5. Builders Risk Insurance, if applicable: All Risk coverage on any buildings, structure of work and material in an amount equal to 100 per cent of the value of the contract. Coverage is to cover Cobb County interest and Cobb County shall be named as Loss Payee.

**B. DEDUCTIBLES AND SELF-INSURED RETENTION**

Any deductibles or self-insurance retentions must be declared to and approved by the Owner. At the option of the Owner, either: The insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the Owner, its officers officials, and employees; or the Contractor shall procure a bond guaranteeing payment of losses related to investigations, claim administration and defense expenses.

## **C. OTHER INSURANCE PROVISIONS**

### **1. General Liability, Automobile Liability, and Umbrella Liability Coverages.**

The Owner and its officers, officials, employees and volunteers are to be covered as additional insureds as respects: liability arising out of activities performed by or on behalf of the Contractor.

Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the Owner and its officers, officials, employees and volunteers.

The Contractor is responsible for insuring its own property and equipment.

**2. Workers' Compensation and Employers Liability Coverage.** The insurer shall agree to waive all rights of subrogation against the Owner and its officers, officials, employees and volunteers for losses arising from the work performed by the Contractor for the Owner.

**3. All Coverages:** Each insurance policy required by this clause shall be endorsed to state that coverage shall not be changed, cancelled, suspended, terminated or non-renewed except after sixty (60) days prior written notice by certified mail, return receipt requested, has been given to Cobb County of said change of coverage, cancellation, suspension, termination / or non-renewal.

## **D. ACCEPTABILITY.**

Insurance is to be placed with insurers with a Best's rating of no less than A: VII, or otherwise acceptable to the Owner.

## **E. VERIFICATION OF COVERAGE.**

Contractor shall furnish the Owner with certificates of insurance and with original endorsements effecting coverage required by this clause. These certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be received and approved by the Owner before any work commences. The Owner reserves the right to require complete, certified copies of all required insurance policies at any time.

## **F. SUBCONTRACTORS**

Subcontractor means one not in the employment of the Contractor who is performing all or part of the services under this Agreement under a separate contract with the Contractor.

Contractor shall include all subcontractors as an additional insured under its insurance or shall ensure that subcontractors have met the insurance requirements of this agreement. Owner may request evidence of subcontractor's insurance.

Contractor is responsible for having all subcontractors comply with all terms and conditions of the Invitation to Bid.

## **G. WAIVER OF SUBROGATION**

Vendor shall require all insurance policies in any way related to the work and secured and maintained by Vendor to include clauses stating each underwriter shall waive all rights of recovery, under subrogation or otherwise, against Customer. Vendor shall require of subcontractors, by appropriate written agreements, similar waivers each in favor of all parties enumerated in this section.

### **X. *Award***

Award will be made to the highest scoring responsive and responsible proposer according to the criteria stated in the proposal documents. The County may make such investigations as it deems necessary to determine the ability of the proposer to perform, and the proposer shall furnish to the County all such information and data for this purpose as the County may request. The County reserves the right to reject any proposal if the evidence submitted by, or investigations of such proposer fails to satisfy the County that such proposer is properly qualified to carry out the obligations of the contract.

The County reserves the right to reject or accept any or all proposals and to waive technicalities, informalities and minor irregularities in the proposals received. The County reserves the right to make an award as deemed in its best interest which may include awarding a proposal to a single proposer or multiple proposers; or to award the whole proposal, only part of the proposal, or none of the proposal to single or multiple proposers, based on its sole discretion of its best interest.

Time payment discounts will be considered in arriving at net prices and in award of proposal.

### **XI. *County Furnished Property***

The County will furnish no material, labor or facilities unless so provided in the RFP.

### **XII. *Rejection of Proposals***

Failure to observe any of the instructions or conditions in this request for proposal may constitute grounds for rejection of proposal.

### **XIII. *Contract***

Each proposal is received with the understanding that the acceptance in writing by the County of the offer to furnish any or all of the commodities or services described therein shall constitute a contract between the proposer and the County which shall bind the proposer on his part to furnish and deliver the articles quoted at the prices stated in accordance with the conditions of said accepted proposal. The County, on its part, may order from such contractor, except for cause beyond reasonable control, and to pay for, at the agreed prices, all articles specified and delivered.

Upon receipt of a proposal containing a Cobb County "Sample Contract" as part of the requirements, it is understood that the proposer has reviewed the documents with the understanding that Cobb County requires that all agreements between the parties must be entered into via these documents. If any exceptions are taken to any part, each exception must be stated in detail and submitted as part of the proposal document. If no exceptions are stated, it is assumed that the proposer fully agrees to the "Sample Contract" in its entirety. The County reserves the right to make changes to the "Sample Contract".

#### ***XIV. Delivery Failures***

Failure of a contractor to deliver within the time specified or within reasonable time as interpreted by the Purchasing Director, or failure to make replacements of rejected articles/services when so requested, immediately or as directed by the Purchasing Director, shall constitute authority for the Purchasing Director to purchase in the open market or rebid for articles/services of comparable grade to replace the articles/services rejected or not delivered. On all such purchases, the contractor shall reimburse the County within a reasonable time specified by the Purchasing Director for any expense incurred in excess of contract prices, or the County shall have the right to deduct such an amount from monies owed the defaulting contractor. Alternatively, the County may penalize the contractor one percent (1%) per day for a period of up to ten (10) days for each day that delivery or replacement is late. Should public necessity demand it, the County reserves the right to use or consume articles/services delivered which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Director.

#### ***XV. Non-Collusion***

By submission of a proposal, the proposer certifies, under penalty of perjury, that to the best of its knowledge and belief:

- (a) The prices in the proposal have been arrived at independently without collusion, consultation, communications, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other vendor or with any competitor.
- (b) Unless otherwise required by law, the prices which have been quoted in the proposal have not been knowingly disclosed by the proposer prior to opening, directly or indirectly, to any other proposer or to any competitor
- (c) No attempt has been made, or will be made, by the proposer to induce any other person, partnership or corporation to submit or not to submit a proposal for the purpose of restricting competition.

Collusion and fraud in bid preparation shall be reported to the State of Georgia Attorney General and the United States Justice Department.

#### ***XVI. Conflict Of Interest, Etc.***

By submission of a proposal, the proposer certifies, under penalty of perjury, that to the best of its knowledge and belief:

1. No circumstances exist which cause a Conflict of Interest in performing the services required by this RFP, and
2. That no employee of the County, nor any member thereof, nor any public agency or official affected by this RFP, has any pecuniary interest in the business of the responding firm or his sub-consultant(s) has any interest that would conflict in any manner or degree with the performance related to this RFP.

The responding firm also warrants that he and his sub-consultant(s) have not employed or retained any company or person other than a bona fide employee working solely for the responding firm or sub-consultant(s) to solicit or secure a contract agreement with Cobb County, as related to this RFP, and that he and his sub-consultant(s) have not paid or agreed to pay any person, company, corporation, individual, or firm other than a bona fide employee working solely for the responding firm or his sub-consultant(s) any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award of this Agreement.

For any breach or violation of this provision, the County shall have the right to terminate any related contract or agreement without liability and at its discretion to deduct from the price, or otherwise recover, the full amount of such fee, commission, percentage, gift, payment or consideration.

The successful responding firm shall require each of its sub-consultant(s) to sign a statement certifying to and agreeing to comply with the terms of the subsections above.

#### ***XVII. Default***

The contract may be cancelled or annulled by the Purchasing Director in whole or in part by written notice of default to the contractor upon non-performance or violation of any contract term. An award may be made to the next highest rated responsive and responsible proposer, or articles specified may be purchased on the open market similar to those terminated or the County may issue a new Request for Proposal. In any event, the defaulting contractor (or his surety) shall be liable to the County for costs to the County in excess of the defaulted contract prices; provided, however, that the contractor shall continue the performance of this contract to the extent not terminated under the provisions of this clause. Failure of the contractor to deliver materials or services within the time stipulated on its proposal, unless extended in writing by the Purchasing Director, shall constitute contract default.

#### ***XVIII. Disputes***

Except as otherwise provided in the contract documents, any dispute concerning a question of fact arising under the contract which is not disposed of shall be decided after a hearing by the Purchasing Director who shall reduce his/her decision to writing and mail or otherwise furnish a copy thereof to the contractor. The decision of the Purchasing Director shall be final and binding, however, the contractor shall have the right to appeal said decision to a court of competent jurisdiction.

***XIX. Substitutions***

Proposers offering and quoting on substitutions or who are deviating from the attached specifications shall list such deviations on a separate sheet to be submitted with their proposal. The absence of such a substitution list shall indicate that the proposer has taken no exception to the specifications contained therein.

***XX. Ineligible Proposers***

The County may choose not to accept the proposal of one who is in default on the payment of taxes, licenses or other monies owed to the County. Failure to respond three (3) consecutive times for any given commodity may result in removal from the list under that commodity.

***XXI. General Information***

Sealed proposals, with original signatures, will be accepted by the County Purchasing Department at the time, place, and date specified. One (1) original and six (6) copies of the proposal must be submitted, complete with a cover letter signed by an official within the organization who has authority over project negotiation.

These proposals must be in accordance with the purposes, conditions, and instructions provided in this RFP. The Cobb County Board of Commissioners assumes no responsibility for proposals received after the submission time, whether due to mail delays or any other reason. Proposals received after the submission time will be filed unopened and considered non-responsive.

As previously stated under IV, unsigned proposals will not be considered.

Cobb County reserves the right to retain all proposals submitted, and to use any idea in any proposal regardless of whether that proposal is selected. All work performed by the successful respondent shall be performed in compliance with the Americans With Disabilities Act.

***XXII. Uniformity of Proposal***

To facilitate comparative analysis and evaluation of proposals it is desired that a uniform format be employed in structuring each proposal. The respondent's degree of compliance with the requirements of the RFP will be a factor in the subsequent point-based evaluation of the proposal. Proposals with major deviations or omissions may not be considered for detailed study. Proposals will become part of the contract with Cobb County should they be selected under the RFP.

***XXIII. Request Additional Information***

Inquiries that must be answered in regards to the Proposal procedures or technical matters shall be submitted in writing via U.S. Mail or facsimile or email to:

Cobb County Purchasing  
1772 County Services Parkway  
Marietta, Georgia 30008-4021  
Fax: (770) 528-1154  
Email: purchasing@cobbcounty.org

All inquiries must be in writing. Cobb County will not orally or telephonically address any question or clarification regarding specifications or procedures. Cobb County is not bound by any oral representations, clarifications, or changes made to the written specification by County employees, unless such clarification or change is provided to the respondent in written addendum from Cobb County.

***XXIV. Firm Prices***

Prices quoted by proposal shall be firm and best prices. Prices quoted must be valid for a minimum of ninety (90) days from the date of bid opening.

***XXV. Proposal/Presentation Costs***

The cost for developing a proposal will be borne by the respondent. Cobb County is not liable for any costs incurred by the respondent in preparation and/or presentation of proposals in response to this RFP or for travel and other costs related to this RFP.

***XXVI. Proposal Format***

Presentation of the relevant information is at the discretion of the respondent; however, the proposal must address all items identified in Section Titled, Proposal Requirements. To assist in the evaluation of proposals resulting from the RFP, it is recommended that each proposal be written in a concise and forthright manner and that unnecessary marketing statement and materials be avoided.

***XXVII. Indemnification/Hold Harmless***

By submission of a proposal, the selected responding firm agrees to indemnify Cobb County to the fullest extent permitted by law, protect, defend, indemnify and hold harmless Cobb County, its officers, officials, employees and volunteers from and against all claims, actions, liabilities, losses (including economic losses), or costs arising out of any actual or alleged a) bodily injury, sickness, disease, or death; or injury to or destruction of tangible property including the loss of use resulting there from; or any other damage or loss arising out of or resulting claims resulting in whole or part from any actual or alleged act or omission of the responding firm, sub-consultant, anyone directly or indirectly employed by any of them; or anyone for whose acts any of them may be liable in the performance of work; b) violation of any law, statute, ordinance, governmental administrative order, rule, regulation, or infringements of patent rights or other intellectual property rights by the responding firm in the performance of work; or c) liens, claims or actions made by the responding firm or other party performing the work, as approved by Cobb County.

The indemnification obligations herein shall not be limited to any limitation on the amount, type of damages, compensation, or benefits payable by or for the responding firm or its sub-consultant(s), as approved by the County, under workers' compensation acts, disability benefit acts, other employee benefit acts, or any statutory bar or insurance.

### ***XXVIII. Proposal Evaluation***

The Evaluation process will address current requirements and consider possible future operation and maintenance needs. Both objective and subjective rationale will be involved in the decision process.

1. Evaluation Responsibility

A selection committee will coordinate the review of all proposals and will submit a recommendation to the County Manager and Board of Commissioners.

2. Presentations

During the evaluation process, the members of the selection committee may require that responding firms conduct a presentation. If required, these presentations will be scheduled in advance and limited in time. Location of the presentations will be pre-arranged.

3. Evaluation Criteria

The County will use a specific set of criteria for the qualitative evaluation of competitive proposals. The structure of the evaluation will be to assign points to each response in a number of categories. A non-response to a specific category will result in no points being awarded for that category. Final rankings will be based on a combination of price and qualitative factors.

**See Section 3.2 for evaluation criteria**

**All proposal requirements must be met, or capable of being met by the responding firm or the proposal will be disqualified as non-responsive. It is extremely important that project schedules are met. Only those firms or teams with the necessary resources and a commitment to complete all project work on schedule should submit a Proposal.**

### ***XXIX. Multi-Year Contract Provisions***

The successful respondent will be required to enter into a contract containing the provisions as required by Georgia law pertaining to multi-year contracts. The following is a sample of the provision and will be adjusted as to the term or as to the length of the contract.

This contract shall terminate absolutely and without further obligation on the part of Cobb County at the close of the calendar year in which it was executed, and at the close of each succeeding calendar year for which it may be renewed as provided in O.C.G.A. Section 36-60-13. The contract shall automatically renew for each of the remaining calendar years provided for in the contract, unless positive action is taken by Cobb County to terminate such contract, and the nature of such action shall be written notice provided to the consulting firm within sixty (60) days before the end of the initial year of the contract or each succeeding remaining calendar year.

This contract shall terminate immediately and absolutely at such time as appropriated and otherwise unobligated funds are no longer available to satisfy the obligations of Cobb County under this contract.

***XXX. Proposal Requirements***

The respondents must demonstrate competence and experience in the area of expertise outlined in this Request for Proposal.

If required, respondents must demonstrate competence and experience in public speaking and graphic presentations for the purpose of conveying project information to large and diverse community groups. Respondents should also be able to demonstrate the ability to build consensus among public and private interest groups related to this project.

***XXXI. Cover Letter/Executive Summary***

Respondents shall provide a cover letter or letter of transmittal to briefly summarize the company's interest and relevant qualifications for the project. This letter shall not exceed two (2) pages, and shall be signed by an agent of the responding firm who is authorized to negotiate the details of the proposed services.

***XXXII. Project Team***

Respondents shall provide an organizational chart for the proposed project team, as well as the relevant background and experience for every proposed team member.

***XXXIII. Special Terms and Conditions***

Should these General Terms and Conditions be in conflict with any attached Special Terms and Conditions, the Special Terms and Conditions will control.

**XXXIV. Disadvantaged Business Enterprises (DBE): The following provisions should be carefully read to determine applicability to your business.**

Cobb County Government encourages the participation of all businesses in offering their services and/or products. The Cobb County Government has the goal to fairly and competitively procure the best product at the most reasonable cost.

A Disadvantaged Business Enterprise (DBE) is generally defined as a Female, Black American, Hispanic American and any other minority owned business. The Federal Government has long had program in place to ensure participation of DBE vendors and suppliers. The State of Georgia has established a similar program whereby DBE firms are defined, certified and made known. This effort is managed by the Georgia Department of Transportation (GDOT). More information can be obtained from GDOT web site:

1. <http://www.dot.state.ga.us/eeo-div/index.shtml>

The Cobb County Government addresses DBE business participation (frequency and dollar value) in the following ways:

1. Cobb County wishes to identify all DBE participation; both at the contractor and sub-contractor levels in the following ways.
  - a. DBE businesses are requested to identify such status at the time they register as a vendor.
  - b. DBE businesses are requested to identify themselves at the time they propose to do business. Please complete **EXHIBIT B** if applicable and return with bid submittal.
  - c. All businesses will receive with each Purchase Order an instruction sheet for use of the furnished *Cobb County Government DBE Participation Report*, **EXHIBIT C**. Businesses are requested to complete this report and submit it with each invoice for the time period billed.

2. Cobb County has established a Disadvantaged Business Enterprise Plan in accordance with the regulations of the U.S. Department of Transportation (U. S. Department of Transportation (USDOT), 49 CFR Part 26.) The Cobb County Department of Transportation is the lead agency for implementing the USDOT DBE Program for the County.

*The Plan applies only to projects which are clearly indicated by the County.*

**EXHIBIT B**

**DISADVANTAGED BUSINESS ENTERPRISE (DBE) IDENTIFICATION FORM**

A Disadvantaged Business Enterprise (DBE) is generally defined as a Female, Black American, Hispanic American and any other minority owned business. If your firm is classified as a Disadvantaged Business Enterprise (DBE), please complete this form and submit with bid response or send to:

**Participation Report**

All Cobb County Government contractors or vendors are requested to complete a report descriptive of any DBE subcontractor involvement in work for which the government is making payment. If otherwise specified in an RFP/ITB or contract, additional reporting forms may be required as well.

The objective of this request is to assist in the identification of Disadvantaged Business Enterprise (DBE) business participation with the Cobb County Government and to quantify that participation.

The Cobb County Government does not administer a DBE Certification Program. The principle certification agency for the State of Georgia is the Georgia Department of Transportation. As a Contractor/Vendor you are not responsible for verification of any DBE Certification information of your subcontractor.

**\*\*\* Instructions \*\*\***

1. Contractor/Vendor is furnished the one-page *DBE Participation Report* form with each Cobb County Government-issued Purchase Order.
2. Contractor/Vendor completes this form for each billing period and attaches it to the invoice to then be sent to the Cobb County Government.
3. Upon receipt of a Contractor/Vendor invoice, County staff should simply separate the completed DBE form and transmit to:
