Addendum 1

Question submitted in writing

Question:

To maximize the cost value to Cobb County we would make these to order. That would mean the delivery would be 10 to 12 weeks. Since this is an annual contract the shipment can be split into smaller amounts. Is this possible?

Answer:

A 10 to 12 week delivery is **not** acceptable. We place orders for Inmate Clothing on an as needed basis. We will allow split shipment of order as long as the entire order is received within 30 days after placing order.
