Questions submitted in writing

**Question:** Would you be able to email us a copy of the previous winning Bid Tabulation, Bid # 5108, Groundwater and Surface Water Monitoring?

**Answer:** Please contact the Cobb County Purchasing Department at 770-528-8400 to arrange for an appointment to view the prior bid file.

**Question:** We are a DBE firm GDOT prequalified for Water Quality Monitoring, and I would like to know if a list of Prime Contractors is available so that we may team up with them as a sub?

**Answer:** Please see the attached list of known plan holders.

**Question:** Will the historical data be available in electronic format "Excel" or "Access" so that it can be readily imported in Statistical Software? If the historical data will only be made available in paper copy, the data base for each landfill will have to be recreated in electronic format adding additional expense.

**Answer:** The historical data files will be available from the current contractor in Excel, comma or tab delineated formats.
