Addendum 2
Wrecker and Towing Service for Disabled Cobb County Vehicles
Sealed Bid #12-5616

Questions submitted in writing

1. What will the Bid Award be based on: a total of the Individual Category's Unit Cost; category bid prices factored out by the anticipated volume; will each price be considered individually and averaged? Exactly how will the "low bid" be determined?
 - A. The low bid will be awarded to the responsive and responsible vendor determined by the average price of the listed categories.

2. On "Mileage Rates / Out of County charges per mile", is this asking for a rate for each mile traveled out of Cobb County, or just the actual TOWED miles (one-way vs. round-trip)?
 - A. The "Mileage Rates/Out of County charges per mile" applies to the mileage for out of Cobb County tows.

3. Can you supply any estimates on how many tows can be anticipated in each category annually? See table below.
