SWEETWATER CREEK SEWER EXTENSION, PHASE 2

PROJECT NO. S3020

for

THE BOARD OF COMMISSIONERS OF COBB COUNTY, GEORGIA

Statements of Qualifications from contractors interested in performing general construction associated with the Sweetwater Creek Sewer Extension, Phase 2 project will be received by the **COBB COUNTY BOARD OF COMMISSIONERS**, herein referred to as "**Owner**", at the offices of the **Purchasing Department, 1772 County Services Parkway, Marietta, Georgia 30008**, until **12:00 Noon** (local time) on **June 24, 2010**. The project name and project number must be shown on the outside of the envelope. **No applications will be accepted for opening after the 12:00 Noon deadline.** Those received late will be returned unopened.

Prequalification applications will be opened at 2:00 PM (local time) on **Thursday, June 24, 2010**, in the **Purchasing Department Bid Room, Purchasing Department, 1772 County Services Parkway, Marietta, Georgia 30008**. Applications will be accepted for consideration only from Contractors who are listed on the Prequalification Package Holders List, signifying that they have obtained an application package from the Water System.

Technical qualifications and resources of personnel and plant will be required for the construction of a large diameter gravity sewer and force mains along the north side of Sweetwater Creek, between Holloman Road and the Cobb County – Paulding County line. The construction cost for the sewer system has been estimated at approximately \$ 9 million.

The project consists of the following major elements: Furnish and install approximately 10,700 linear feet of 54-inch gravity sewer pipe with associated manholes, 72-inch tunnels, aerial crossings, approximately 3,300 linear feet of dual 12-inch and 24-inch ductile iron force mains, air and vacuum release valve stations, and associated appurtenances.

The prequalification application forms are available for pickup at the offices of Cobb County Water System, Engineering & Records Division, 660 South Cobb Drive, Marietta, Georgia 30060-3105. Application forms may also be transmitted via postal delivery or email. Contact Richard Wittman at (770) 419-6326 or Richard.Wittman@cobbcounty.org for more information.

Any firm who wishes to bid on the Sweetwater Creek Sewer Extension, Phase 2 project is required to complete and submit the Application for Prequalification documents (including all instructions and forms). **Only Contractors who have been prequalified by the Owner through this process will be allowed to bid on this project.** Contractors submitting bids are required to have a valid State of Georgia Utility Contractors License.

This is not a solicitation for bid proposals. No guarantees, express or implied, are made that the Project will be constructed as described, or that the Project will be constructed at all. The Cobb County Water System reserves the right to revise, change, modify, or delete the Project or schedule. Prospective bidders responding to this notice do so at their own risk and option and therefore assume full responsibility for all costs associated with the preparation of the Application.
