

**REQUEST FOR QUALIFICATIONS FOR
PREQUALIFICATION OF CONTRACTORS
FOR CURED-IN-PLACE PIPE REHABILITATION**

for

THE BOARD OF COMMISSIONERS OF COBB COUNTY, GEORGIA

Contractors are invited to submit Statements of Qualifications for bidding future water, sewer, and stormwater cured-in-place pipe rehabilitation projects for the Cobb County Water System.

Applications for Prequalification will be received until the close of business (5 p.m., local time) on Friday, January 13, 2012, by the Cobb County Water System. The Applications shall be addressed and delivered to:

Thomas E. Bailey, P.E.
Chief Engineer
Engineering & Records Division
Cobb County Water System
Customer Service Building
660 South Cobb Drive
Marietta, Georgia 30060

An original and one copy of the Application must be submitted. Faxed or emailed applications will not be accepted. Any Applications that are received after the specified day and time will not be accepted and will be returned to the Applicant unopened.

Application packages are available for pick-up at the offices of the Cobb County Water System at the above-noted address, or can be transmitted via postal delivery or e-mail. Contact Mike Wilson at 770-419-6345 or Michael.Wilson@cobbcounty.org for more information or to obtain an application package.

Applications will be accepted only from Contractors who are listed on the Application Holders List, signifying that they have obtained an application package from the Cobb County Water System.

This is not a solicitation for bids. Contractors responding to this notice do so at their own risk and option and therefore assume full responsibility for all costs associated with the preparation of the Application. Contractors adjudged to satisfactorily meet the criteria established by the Water System will be recommended for approval by the Cobb County Board of Commissioners, and if approved, will be included on the List of Prequalified Contractors.
